

DS-Live™

DS-Live™ Online Portal.

Data Signs RM-320 Sign Controller.

All new products will be connected to our powerful and intuitive Managed Services platform DS-Live, which is a turnkey subscription solution, and can include a dedicated SIM card and connection to the most advanced sign management system available.

DS-Live™ FEATURES: –

- ✓ DS-Live will continually monitor your Sign/s and advise if actions are required.
- ✓ This platform provides an easy to use interface.
- ✓ Real time & fast updates of Messages when fitted with Data Sign SIM cards
- ✓ Streamlined Dashboard & user friendly
- ✓ Continually improving and enhancing new features

I HAVE EXISTING SIGNS – WHAT DO I NEED TO DO?

To use this programming platform go to <https://ds-live.com.au/home/index> and pay the subscription costs as per below

OPTION A	Monthly Fee	Quarterly Fee	Annual Fee
DS-Live Subscription with YOUR SIM Card YOU DO NOT NEED TO UPGRADE YOUR SIGN CONTROLLER	\$13.25*	\$39*	\$150*

Option B only IF you are wanting the Subscription with a **Data Signs SIM Card** (faster speed and much greater security)

OPTION B	Monthly Fee	Quarterly Fee	Annual Fee
DS Live Subscription with a Data Signs SIM Card - (Faster & Secure)	\$26.50*	\$78*	\$300*

NOTE: If your Data Signs SIM card subscription has expired 4 days or more, a reactivation fee of \$5* will apply

-For more information regarding older Sign Controllers please refer to "OLDER CONTROLLERS & LED PANELS" document on our website

WHY SHOULD I BUY A DATA SIGN SIM CARD?

- Lower monthly costs compared to Telstra and other service providers
- Faster speed – typically 10secs compared to other SIMS 2-5mins
- VPN Secure connection
- Data consumption monitored by Data Signs
- Data Signs monitors status of SIM card incase of network or connectivity issues
- Convenient for keeping track of costs especially for multiple signs

WHAT IF I DON'T WANT TO SUBSCRIBE, CAN I STILL REMOTELY PROGRAM MY SIGN?

YES Users can still have access to program their signs fitted with their own SIM Card via SMS functionality, a SMS Programming guide is available from the Data Signs Web Site www.datasigns.com.au.

Note: Credit Card payments will attract a 3% Surcharge

*per sign & + gst
