

SIGN FIRMWARE UPGRADE

from DS-Live

STEP 1

To upgrade the firmware on each sign, click the **'More Info'** button.

More Info

STEP 2

If the sign requires a firmware upgrade, a blue **'Upgrade'** button will be visible to the right of the **'Firmware Version'** value.

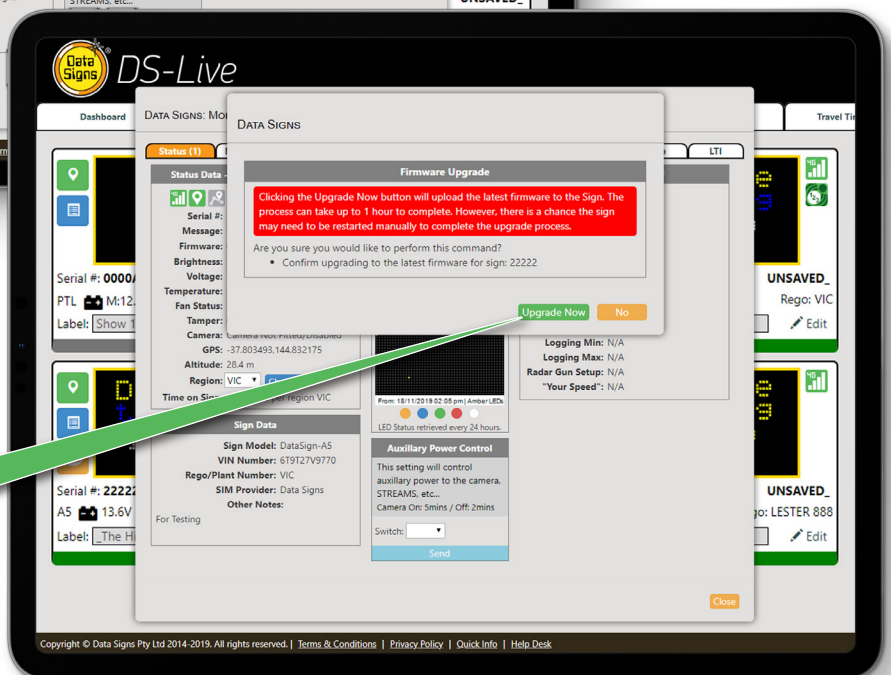

Upgrade

Click the **'Upgrade'** button to continue.

STEP 3

When ready to proceed with the upgrade, click the **'Upgrade Now'** button.
