

*Data Signs Pty Ltd
5 Grace Court Sunshine
Victoria 3020 Australia
30th April 2009*

Certificate of Compliance

This is to certify that Data Signs Pty Ltd the manufacturer of Model VMS-400C Portable Traffic Sign as manufactured after April 2009 complies to the requirements as outlined and prescribed in Australian Standards AS 4852.2-2009. Portable signs

Including in particular but not limited to, the Mechanical, Electrical, Display, Optical, General, and environmental requirements.

All photometric test procedures have been carried out in accordance with the standards as outlined in Appendix A and are certified to have complied with or exceed the minimum requirements as set out in the Standards. The test procedures and subsequent certifications have been carried out by an approved laboratory.

Environmental and in particular wind loading in accordance with the standard have been calculated and certified by structural engineers and built in accordance with these calculated requirements.

As test results and certificates from the engineers and photo labs contain commercially sensitive information, Data Signs have originals available for viewing by appointment at our head office in Victoria Australia.

I hereby declare the authenticity of this certificate as true and correct
